Dear Mr. McNamara:

Central Soya Company was issued a permit on July 3, 2002 for a stationary grain handling, animal feed production, soybean meal production and soybean oil extraction plant . A letter requesting a transfer of ownership was received January 12, 2004. Pursuant to the provisions of 326 IAC 2-7-11(a)(4) the permit is hereby administratively amended as follows:

Effective December 31, 2003, Bunge North America (East), Inc. (f.k.a. Central Soya Company, Inc., merged with and into a new Delaware limited liability company called Bunge North America (East), LLC. The new limited liability company will be the surviving company for the combined entities and will hold all assets, licenses, etc., of Bunge North America (East), Inc.

The appropriate reporting forms were updated to reflect the new operating name of Bunge North America.

All other conditions of the permit shall remain unchanged and in effect. Please attach a copy of this amendment to the front of the original permit.
